Second Class Mail - Registration No. 1738. Deseronto, Ontario, Wednesday, October 3, 1973

Volume IV - No. 5.

Students are pleased to note that Elmer the Safety Elephant Flag is now flying again at Deseronto Public School.

Parents of children attending Deseronto Public School recently received their first school newsletter.

The enrolment as of Sept. 10 was 367, slightly higher than the expected 350. The safety program begun last year by the Deseronto Police Dept. will be continued, with Constable Clark as the School Safety Officer. The program will involve lessons in class as well as group teaching based on the Elmer Safety Program.

This year, pupil absences will be reported to the School attendance councillor of the Family and Children's Services of Hastings County. It is the school principal's decision as to whether or not the absence is legitimate. Because of this, parents are encouraged to report absences by a written note, or by telephoning the school.

Parents are also asked to make sure the pupils cross No. 2 Highway (Dundas St.) with the crossing guards to ensure safety.

## Conference Set Future Pattern

Senior federal officials have found a communications gap that could hinder native people from broader participation in Canada's public service.

The problem emerged Monday as a possible core handicap to Ottawa's Native Employment Program - a project which drew Quinte Mohawk spokesman into a two-day seminar with a team from the Public Service Commission, the federal Governments employment agency.

The program is aimed at encouraging job opportunities for native people in all branches of the federal service.

But, commission officials found, native people are not aware of their public career chances. And no standard mechanism exists to guarantee they are kept informed of such opportunities. Conventional contact points - Canada Manpower centres, career lists

posted in federal buildings, - don't always have the same impact on Indians and Eskimos, the Mohawks pointed out.

The conference was the first of its kind with a native group and the basic opinions elicited from the Mohawks stimulated reaction from commission officials. Tyendinaga had been chosen as a representative native community for the initiating discussions with Indian people on the program.

Chief Earl Hill told the group federal service careers were posted in such centres as the post office. But, since Indians are mainly rural dwellers on country postal routes, they rarely find it necessary to use post offices. Indians who register with Canada Manpower Centres, and with employers often take it for granted that it is sufficient to have their names on record. They do not

return to "pester" officials about vacancies.

Among communication solutions offered by the chief:

-Appointment to regional Indian liaison officers at Canada Manpower Centres.

-Use of provincial native organizations to transmit information on public service jobs to local Indian bands.

Young Mohawks seeking trade openings often had to cross into the United States to find work. If they sought a federal government job, they were usually directed to a traditional contact point - the Indian Affairs Dept. in Ottawa.

The commission stated that Indian groups should be on the receiving end of all information on public service work openings. Such a flow is particularly important since some careers mean hiring students directly from school for training. But there are only a handful of native people who are public service employees. The commission is concerned about this, and, hopefully, this conference will be a step towards correcting the situation.

## Deseronto Police Monthly Report

During the month of September, the Deseronto Police Department laid 19 charges under the Criminal Code, 2 under the Liquor Control Act, and 8 under the Highway Traffic Act. There was one charge under other Provincial Statutes.

The force investigated 37 complaints, and received

327 other calls. There were three thefts of goods valued

over \$50.00 and four in which the goods were valued at under \$50.00.

One car which was valued at \$2070.00 was stolen, and the Department recovered property worth approximately \$1100.00.

## Quinte industry to get grants

Industry and Tourism Minister, Claude F. Bennett, has announced that the Ontario Development Corporation loans have been approved for two Quinte Industries, Domtech Co. Ltd., of Trenton, and Lamwood Cabinets Ltd. of Belleville,

which will receive \$69,000 and \$41,250 respectively.

Domtech plans to establish a new plant to manufacture speedometer casings, communication cable, and plastic tubing. Lamwood Cabinets will

## Watch \$50 bills

Counterfeit \$50 bills have been flooding Ontario during the past week and Ontario Provincial Police are warning people not to accept any \$50 bills that are presented to them unless they're sure of the person's identity.

Some of the bills have been reported in Trenton, as well as in the larger centres. According to the O.P.P., the notes are of excellent quality, and very difficult to detect.

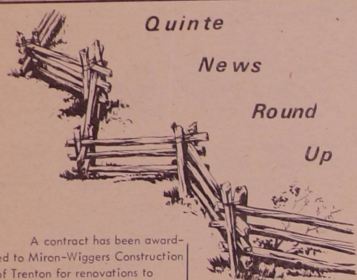

The police say that the simplest way of detecting a bogus bill is to hold it against a strong light which will reveal an otherwise invisible number of planchets (metal discs) which are implanted in legal banknote paper.

A contract has been awarded to Miron-Wiggers Construction of Trenton for renovations to Caen Court, Prince Edward Heights, a group of row-housing in the Village Complex. The work is expected to be completed by the end of February, 1974.

The main wing of the Deseronto Public School has been re-roofed and a large area of the playground has been paved with blacktop. Improvements have been made to the school's intercom and the building has been completely wired for television programming.

The Napanee Police Association has urged Town Council to hire additional constables, after several incidents involving firearms. Dursill but one of the incidents, only one policeman was on duty.

The name chosen by the newly formed youth group of Deseronto is Teens of Town (TOT). Plans have been made to hold dance Friday, October 12 from 8 - 12 p.m. Future meetings will be held each Wednesday at the school. Membership cards will be available for a fee of \$1.00 per year. There will also be a collection of 5 cents per meeting.

The University Women's Club Book Sale was an enormous success with receipts totalling approximately \$550. A large selection of books was available and the low prices were taken advantage of by many avid readers and students.

Lake Ontario Cement Company is continuing operations, using alternate sand sources after government expropriation of a lease for quarry operations at the Sandbanks. This is made possible by three factors. First, and additional lift was developed in the quarry north of Picton to below Lake Ontario level. Secondly, overburden material from the plant is used. Also, sandstone is hauled from the Kingston area by truck. However these stopgap measures are more expensive and will probably only be temporary.

On Thanksgiving Sunday past members of the Hastings and Prince Edward Regiment will gather at the Regimental Memorial in Kingston for a memorial service. A banquet will follow at the Legion Hall at 2 p.m. with Lord Tweedsmuir, who once commanded the Hastings, as the guest speaker.

PICTON—"The weather is fine today and I take credit for that as your provincial member," said James Taylor, MLA, Prince Edward-Lennox at the sod-turning ceremony for the new senior citizen's home. "When the weather is not fine, I refer the matter to our federal member, George Hees to deal with," he said.

Picton Rotarians sold 3,000 tins of peanuts during their annual sale and raised about \$1,100 for community projects.

Mayor Harvey J. MacFarland of Picton had a birthday on Wednesday, but declined to tell the press exactly which birthday it was.

Thirteen Napanee District Secondary School girls rocked Saturday noon to Sunday noon in an effort to raise funds for the Girls Athletic Association. The project is based on the walkathon idea, with pledges per hour that the girls will keep on rocking.

The annual meeting of the Quinte Area A.C.W. will be held November 10 at St. Mary Magdalene Church, Naponee. Rev. David Sinclair will be the guest speaker.

The afternoon group of St. Mark's A.C.W. met at the home of Mrs. F. Field on Tuesday September 25. Mrs.

A. Whiting of Pearl Street was a guest and was warmly welcomed by President Mrs. Ruby Tucker.

St. Mark's Harvest Bazaar will be held on Wednesday evening at 7 p.m. in the Church Hall.

Confirmation service will be held at St. Mark's Church on Sunday October 14 at 7 p.m. with Bishop Creagan officiating.

The choir will give a recital for 15 minutes prior to the service and a social time with refreshments will be held in the hall afterwards.

The cleaning and decorating project of St. Mark's Church was started on Monday of this week.

The regular meeting of St. Mark's Anglican Church Women was held in the parish hall on Monday Sept. 17 at 8 p.m. with seven answering the roll call.

The meeting continued with much discussion of the forthcoming Harvest Bazaar which will be held this Wednesday evening, Oct. 3 at 7 p.m. It is hoped that everyone, young and old, will come out for this event.

Guest speaker at the 2 p.m. service on Sunday at the Church of the Redeemer was Mr. Ian Colterjohn, who, with his wife and family had spent 3 years in Nepal. He told some of his experiences while they were there.

Mr. and Mrs. Don Mac Millan and Mrs. Blake Moore spent the weekend in Orillia at the home of Mrs. J.M. Stone and family. Pastor Stone, a former minister of the Church of the Redeemer, passed away in the spring.

The United Church Sunday school has started again and a warm invitation is extended to the children of the community. The time is 9:30 am.

## SCHOOL NEWS

Pupils of a senior grade will again canvass the community, during school hours, at Halloween on behalf of UNICEF. Last year's effort resulted in twice as much being collected as the year before and it is hoped that the community will once again support the students in their work.

Open house will be held at the Public School on Tuesday, Oct. 23 between the hours of 7:30 and 9:00 in the evening. Coffee will be served.

## What Council Did

Mrs. Margaret Jackson

The regular meeting of  
Deseronto Town Council was  
held in the Council chamber  
on Monday, October 1st, at  
7:30 p.m. The minutes of the  
last meeting held on Sept. 17  
were adopted as read.

Councillor Mitchell  
introduced Mr. Clarence  
Ziemann to speak on the pro-  
gress and proposed financing  
for the Community Centre  
project. Mr. Ziemann gave a  
thorough outline of the Com-  
mittee's activities to date and  
the next required steps to be  
taken by Council. Mrs. A.  
McCormick questioned the  
matter of any deficit arising  
from operating the arena, to  
which the Mayor replied that  
the Town and all Taxpayers  
are ultimately responsible for  
any deficit.

Motions passed by Coun-  
cil:

-the week of October  
7-13th was proclaimed "Fire  
Prevention Week".

-a letter was received  
from Mr. Delbert Reid of  
Thomas Street regarding a  
sewer lateral problem at their  
residence. The Clerk advised  
that the sewage plant had  
already been contacted and  
that they were looking after  
the matter.

-a letter was received  
from Mr. A. G. Fraser tender-  
ing his resignation as Fire  
Chief and Building Inspector,  
to be effective on Dec. 1st.

-Schedule of Accounts  
No. 16 for \$45,472.30 was  
passed to the Finance Com-  
mittee to be paid if found cor-  
rect.

-a bylaw to acquire the  
Street Lighting Plant from the  
Public Utilities Commission

will be prepared for the next  
Council Meeting. This is to  
assume the \$3,654.19 Balance  
Unpaid Equity of the Public  
Utilities Commission on the  
existing system as an expense  
to the Town in 1973. Payment  
to be made by the end of 1974.

-Councillor Gordanier  
advised that Mr. Thomas Mar-  
acle had been in contact with  
him with regard to his new an-  
imal shelter. He was advised  
that if it met with the standards  
of the Humane Society, the  
Town would be interested in  
meeting with him.

-it is possible that there  
might be a meeting of the  
Fire and Police Committee will  
be held at 7:30 p.m. on Tues.,  
Oct. 2. No notice of Motion  
at this time.

-the County Planner and  
Building Inspector will be meet-  
ing with Council at 7:30 on  
Oct. 16.

-the Reeve was given  
authority to arrange a meeting  
with the County Roads Com-  
mittee.

-Councillor Whalen  
advised that the site recently  
purchased on Edmon St. next  
to the rink was cleaned up  
and filled in on Sept. 28th.

-Councillor Gordanier  
advised of the forthcoming  
negotiations with the Constables  
of the Police Dept. The Police  
Committee will meet with the  
Constables to commence nego-  
tiations.

-Deputy Reeve Brooks  
reported that a trip taken by  
County Council to inspect a  
refuse incinerator was worth-  
while, however he questioned  
the cost of the incinerator.  
Mr. Brooks also reported that  
he had attended a Children's  
Aid Society meeting in Belle-  
ville this week.

-a letter was received  
from Ontario Hydro on the  
study of the Power Supply  
to Prince Edward County.  
The enclosed questionnaires  
will be completed and returned.

expand facilities to increase production of prefabricated kitchens, bathroom cabinets, stairs, and doors.

The two companies applied for ODC performance loans before the ODC loans were replaced by the Ontario Business Incentives Program.

The expansion of these industries are expected to provide more job opportunities for the Quinte Area.

## THE HASTINGS COUNTY BOARD OF EDUCATION

The regular business meeting of the Hastings Board of Education was held in the Tyendinaga Public School at Shannonville on Monday, Sept. 24. Trustee K. Little welcomed the Board, and noted that, while the facilities were of a high standard, they were still inad-

equated for the needs of the school. He invited the members of the board to take a tour of the building if they had time.

Mr. Joe Summers acted as a spokesman for a delegation of parents who presented a problem regarding the bus picking their children up too early, and felt the children could be picked up at closer points to their homes. It was decided that the Transportation Committee give further consideration to the present Board policy regarding walking distance to bus stops, and, if deemed desirable, make suitable recommendations to the Board.

The Board also approved:

- the addition of one bus to service the Batawa-Frankford area.

- a limit of 25 vehicles for any operator in Hastings County under contract with the Board and supplying student transportation on a home to school and return basis.

- the accounts for August for payment as presented.

- the sale of a lot on the Bayside property south of Highway #2 to Sidney Township as a site for a fire hall for the sum of \$500.00

- the approach of real estate agents with regard to the sale of Point Anne School at appraised value.

The newly established Ontario Medal for Good Citizenship is awarded to citizens of the province who have made outstanding contributions to the welfare of others, without any expectation of personal benefit.

Anyone can nominate a person for the Ontario Medal.

Recipients are selected by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Nomination forms are available by writing:

## THIS WEEK

from Ottawa

### QUEBEC ELECTION

Premier Robert Bourassa called a general election in Quebec for Monday, October 29. At dissolution of the National Assembly, the Party standings were: Liberals 70, Union Nationale 16, Creditistes 11, Parti Quebecois 7, Independent 2, vacant 2.

### SHARP AT U.N.

External Affairs Minister Mitchell Sharp was in New York this week to address the U.N. General Assembly. Mr. Sharp French Foreign Minister Michel Jobert that the Greenpeace incident must be resolved in a way satisfactory to Canada so as not to harm good relations.

While in New York, Mr. Sharp also had his first formal meeting with the new Secretary of State, Henry Kissinger.

### MORE CARE

A report prepared for the Solicitor General Warren Allmand recommends that a psychiatric care programme be established in conjunction with the provincial governments and medical and educational centres. The report urges the establish-

ment of regional psychiatric centres in the Canadian Penitentiary Service and unified psychiatric services in the five regions of Canada.

### BEEF TARIFF

Agriculture Minister Eugene Whelan announced that the tariff on beef and imported live cattle had been re-imposed. The Minister said that the reinstatement of the tariff will be beneficial to both consumers and cattlemen and that it was consistent with the government's policy of increasing the supply of beef.

### MONEY REFORM

Finance Minister John Turner and representatives of 19 other member countries of the International Monetary Fund are meeting in Nairobi, Kenya to find a method of reforming the world monetary system. While some countries are pressing for a complete reform package, Canada is proposing a step-by-step approach.

## TOWN OF DESERONTO What Council Did

The regular meeting of Deseronto Town Council was held in the Council chamber on Monday, October 15, at 7:30 p.m. Mayor James Sharpe was in the chair; all councillors were present with the exception of Councillor Whalen. What council did:

- granted permission to the First Deseronto Cub Pack to hold "Apple Day" on October 27.

-decided to advise the Public Relations Minister of the Ministry of Environment that Council is of the opinion that there is no need for an official opening of the sewage disposal plant. This was in response to a letter asking Council to set a date for the official opening.

-Appointed Councillor Dickenson to present the Deseronto Memorial Scholarship Award at the N.D.S.S. Commencement Night to be held November 3rd.

- received a letter from the Ministry of Community and Social Services advising of a grant of \$16,091 available for the Arena Project. One of the conditions of approval is that construction commences on November 1st, 1973 and be completed in February, 1974. As these dates are ones submitted much earlier by way of a form letter, a motion was passed to write and thank the Minister for his letter and best wishes, but to ask that the commencement and completion dates be changed to November 1st, 1974 and May 31st, 1975.

-placed on active file a letter from the Ministry of Environment outlining the four proposed methods of environmental assessment. This information was sent for discussion only.

- heard the Mayor refer to a letter of October 11, received from the Ratepayers' Association which could not be read out as doing so would violate the Municipal Election Act. Apparently letters related in any way to election practices should have been received prior to October 1st. Some councillors felt that the Ratepayers should be notified of the reasons why the letter was not read and dealt with, but the Mayor disagreed.

-passed an account for payment in amount of \$903.90 to John Lewars, Chartered Accountant, for the interim Audit and for extra work in connection with sewer surcharges.

- heard a report from Councillor Gordanier, Chairman of Police and Fire, on a meeting of October 3rd between the Committee of the Whole of Council and Fire Chief Al Fraser. Mr. Fraser had earlier tendered his resignation, but explained that the word should have been retirement. A decision was reached to make Mr. Fraser an Honorary Fire Chief of Deseronto for life.

- passed a resolution to make application to the Treasurer of Ontario for a loan of \$115,000 for construction of the Deseronto Community Hall and Skating Rink. This loan is expected to be 100% forgivable and council was informed by Councillor Dickenson that as a bylaw was passed some time ago, we do not now have to pass a bylaw to cover construction.

The Board of Governors of the Lennox and Addington County General Hospital is in process of buying nine acres of property near the Slash Road for a sum of around \$50,000. The property is not being acquired, however, for hospital expansion. The hospital board has also recently refused to sell a small triangular piece of land to Lennox and Addington County Home for the Aged, for its proposed 50-bed expansion.

An Ottawa, all-male choir, rated as one of the finest in Ontario, will be giving a special performance Sunday night, October 14, at St. Mary Magdalene Anglican Church in Picton.

The Visitor's "Information Centre" at the Lennox Generating Station will close on weekends at the end of October. Guests wishing to visit the Information Centre may still do so five days a week during normal working hours, which are 8:30 a.m. to 4:30 p.m.

Group tours may be arranged by writing the Community Relations Officer, Lennox Generating Station, P.O. Box 1000, Bath, Ontario (K0H 1G0) or by calling (613) 352-3381. Small groups and individuals can be accommodated at the Information Centre at any time. This is a public service offered by Ontario Hydro at no charge.

**Deseronto** Mrs. Kay Hood  
396-2119  
Mrs. Margaret Jackson

The Presbyterian W.M.S. and Ladies' Aid met at the home of Mrs. Don MacMillan on Thursday evening, October 11th. The meeting was opened by the president, Mrs. Kay Hood, with the singing of the hymn "Now Thank We All Our God". Others taking part in the devotions were Mrs. Jean Griffiths, Mrs. Beryl Herman and Mrs. Mabel Moore. Correspondence was read and discussed. Roll call was answered with scripture verse containing the word "rock" or "stone". There were nine members and one guest present. Further plans were made for the November 10th Tea and Bazaar. The meeting closed with the Mizpah Benediction. A small auction sale was held, with Mrs. Griffiths the auctioneer, proceeds for missions. A delicious lunch was served by the hostess and committee, Mrs. Albert Walker and Mrs. Kay Hood, and a social our enjoyed by all.

Reverend and Mrs. T.H. Smith and Mrs. Florence Ferguson of Newcastle, Ont., and Miss Ada Bell of Toronto were recent visitors of Mrs. H.M. Rathburn.

The Presbyterian Ladies' Aid Rummage Sale was quite a success, thanks to those who donated and helped and those who came to buy.

The Ratepayer's Meeting will be held on Thursday, October 18th at 8 p.m. at the school. Everyone is welcome to come. This should be a very interesting meeting.

The Deseronto Red Cross meeting was held on Wednesday evening, October 10th at the home of Mrs.

10th at the home of Miss Bea Rixen, with ten members present. The president, Mrs. George Lyons opened the meeting with the Lord's Prayer in unison. She welcomed the members and thanked the hostess for opening her home. Reports were given and correspondence read. Following the business meeting, a few games of euchre were played, after which a lovely lunch was served by the hostess.

Deseronto Judo Club are sponsoring a bottle drive in Deseronto and Picton area on

October 20th and 21st. Cash realized from this project will be used to purchase mats for the use of the club.

The Harvest Bazaar sponsored by the Anglican Church Women of St. Mark's, held last Wednesday evening (Oct. 3) was a great success. The hall was filled to capacity with eager buyers and extra tea tables had to be put up to handle the unexpected crowd. The hall and tables were decorated in the Autumn theme with shafts of wheat, flowers, leaves, horn of plenty, orange candles, an urn with a dried bouquet and a pumpkin light.

Rev. Frank Bell opened the event with a Thanksgiving hymn and a prayer. Mrs. Bell greeted the visitors at the door and Mrs. Joan Claus sold tea tickets. Mrs. M. Lyons and Mrs. A.G. Wakelin did the selling at the handicraft table; Mrs. Wayne Brown at the farm produce table; Mrs. J. Punchedard and Mrs. R. Elmy were kept busy at the home baking table while Alice Jackson sold candy. Quinte Beach Nursing Home also had a table of handicrafts for sale. The fish pond was popular with the young people and this was ably manned by Desi Bell and Leslie Punchedard.

Pausing tea were: Mrs. John Gartland, Mrs. H. Piercey, Mrs. Frank Bell, Mrs. Jeremy Vincent, Mrs. Cyril Betts, Mrs. H. Spencer, and Mrs. F. Callaghan.

Ladies behind the scenes, in the kitchen, were Mrs. Everett Martin, Mrs. Robert Tucker, Mrs. M. Harvey, Mrs. Don Shelley, Mrs. William Jackson, and Mrs. John McGillivray.

Tea tables were served by members of the choir and Mrs. Robert Tucker, President of the A.C.W. gave assistance where and when needed.

# Quinte News Round Up

The United Empire Loyalists Branch in the Bay of Quinte held its September meeting in Benson Hall in Picton, recently. This branch rotates its meetings in the regions of Trenton-Belleville, Picton, Napanee, and Kingston. There is an increasing interest in the U.E.L. thus augmenting the large membership. Family histories, research history and relevant current issues provide action for the programs.

The October 17 issue of Time magazine will have a feature on the Tweed fair.

The publication is attempting to show Canadians that there is more to the countryside than the big metropolitan areas. One of the Canadian editors of the magazine was

in the village last weekend to gather material for the article.

The movement to get a swimming pool for Prince Edward County has finally picked up momentum, and the ball has been laid squarely in the hands of the Federal Government.

The Swim Pool Committee recently filed an application under the governments LIP grants program for money which is to be spent on labour. The materials must be obtained through other means. The Lake Ontario Cement Co. Ltd., has agreed to provide the cement for the pool at no

charge. A large thermometer to measure the success of the drive has been erected in front of the Armoury Mall.

The Festival Singers of Canada will present a concert in Bridge Street United Church Wednesday October 17, at 8:30 p.m. The production is sponsored jointly by the Quinte Arts Council and Stewart-Warner Corporation of Canada, Belleville. The Festival Singers is a world famous Canadian Mixed Choir.

Prince Edward County Board of Education approved new rates for school driving courses on Wednesday.

Occupational class students will pay \$8 this year, other students will pay \$20, and adults will pay \$35.

Canadian National Railways will be making application to demolish or remove the railway station in Picton. Some time ago the town of Picton indicated that it might be interested in the existing station to be converted into new headquarters for the town police and administrative offices for the town clerk. The CNR usually gives preferential consideration to requests from municipalities, otherwise the property will likely be sold to the highest bidder.

The Hastings County Board of Education has deemed Thurlow Township council's

offer of not over \$500 as an unacceptable price for the recently vacated Point Anne Public School. The school board offered the two-story building to council several months ago.

The Town of Picton is likely to experience a building boom in the near future. At least three applications for subdivisions are either before or pending approval by Town Council. It is also reported that the IGA Supermarket in town is to be expanded considerably and A & P Food Stores are planning a new supermarket on the Bloomfield Road.

Further industrial development is also expected at the Loch Sloy property on Prince Edward Heights.

Canada Manpower officials in Belleville say they have found 30 per cent more jobs for applicants during the last month than during the same month last year. Statistics show 877 applicants registered for work at the end of September

Carl Clayton, of Napanee has recently been appointed to represent producers at the Ontario Food Council. The appointment was made by the Honourable William A. Stewart.

## Ideal Venders Gives \$5000.00

Ideal Venders has pledged \$5,000.00 to the Community Centre Fund. In

Centre Fund. At a ceremony yesterday, Ideal presented Mr. Peter Morris of the Community Centre Fund Raising Committee with the pledge and presented a challenge to the rest of Deseronto business and industry and local industry employing Deseronto residents. Mr. Peter Richards stated that he challenges any other business to pledge more than the \$5,000 given by Ideal Venders.

With this latest pledge, the Community Centre Fund is now up to \$25,000.00.

The Community Centre Fund Raising Committee met last Thursday at which time pledges and cash donations were handed in. Mr. Clarence Zieman announced that the Napanee arena is donating their old clock and timing device. Many questions were asked of Mr. Zieman during the meeting and the following information was gained from the answers: Young people are holding dances to raise money towards the project.

Except for very rare occasions, there will be sufficient off street parking.

800 seats are planned for the arena, but this could easily be increased to 1000.

It is thought that summer use of the arena could include tennis courts, a circus, dances, etc.

That the entrance fee for children would be kept as low as possible.

That the Centre would be available for use of those from surrounding districts as the name, Deseronto and District Community Centre implies.

## Chief Hill Criticizes Deportation

Chief Earl Hill of the Quinte Mohawks has expressed feelings about the government's recent decision to deport Indians born outside of Canada if they had not signed into the country as landed immigrants by October 15.

Chief Hill stated that the Jay Treaty signed in 1794 which allowed Indians to pass not withstanding any immigration laws was ratified by the United States, but was never agreed upon by the Canadian government. He feels that the government should adopt the portion of the Jay Treaty applying to the "free and unimpeded" travel of the Indians, because, originally, native people did not have a United States - Canadian Border Line.

"To what foreign country do they intend to deport North American Indians?" Chief Hill asks.

He says the Canadian Government should consider and shoulder the responsibilities that it so willingly made with aboriginal peoples.

## New Album

The Singing Post Family, a Prince Edward County country and western recording group is releasing its seventh album titled "Country Music".

Led by former Ameliasburgh deputy reeve Norman Post, the performers sing original tunes as well as popular numbers. Many of the songs centre on rural Prince Edward County. A recent album was titled "My Prince Edward County Home".

## MEET YOUR M.P.

Jack Ellis, M.P. Hastings will be visiting Deseronto on Saturday, October 27th from 9.00 a.m. to 12.00 noon in the Council Chambers.

During the visit, Mr. Ellis has invited anyone in the district with problems related to the Federal Government to call on him.

This visit is a follow-up of the very successful series

of visits which were conducted during the spring of this year. At that time many persons with problems they were unwilling to write or phone about, found this form very convenient. In all over 100 visits were made.

Mr. Ellis was recently unanimously chosen as Progressive Conservative Federal Candidate for Hastings.

## Glenora Ferry

Effective October 22, the Glenora ferry, Quinte Loyalist will be out of service for approximately 6 weeks for dock repairs and ramp alterations. Ferry Quinte will operate on half hour schedule, departing Glenora on the hour and half hour, departing Adolphustown on the quarter to and quarter after the hour. Load limit for trucks is 10 gross tons.

## \$60,000 Fire

Fish lake farmer Bert Katchapow this week watched his farm barn burn to the ground for the second time in less than a year. On October 26, 1972, the dairy farm lost 35 cows when fire destroyed his barn.

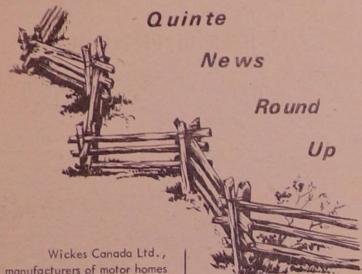

In a fire last week, more than 7,000 bales of hay were burned as well as milking equipment and a calf. Cause of the blaze remains a mystery.

Sophiasburgh fire chief Donald Potter said that the fire loss had been estimated at \$60,000.

## Cards of Thanks

On behalf of TOT '73, I would like to thank each member of the group who took part in making our first Teen Dance a great success. Overall I was quite pleased to see the tremendous turnout of approximately 150 teenagers. They conducted themselves in a very orderly manner as I had no complaints from any one. I would like to give special thanks to Mr. & Mrs. Clarence Ziemann Mr. & Mrs. M. Church for chaperons, Mr. B. Johnson for the music, Mr. C. Unger for putting up with us at the school, also the Hastings Board of Education for donating us the school gym for our meetings and dances. Special thanks to Mr. J. Elmer for discounting our refreshments Mr. J. Lott for donating spotlight gifts, Mr. M. Witkowski for donating the receipt booklets, Howard & Robert Printing in Belleville for printing our membership cards and making a stamp, and to Chief Carl Beattie for dropping in so often to see everything was alright. Lastly, thanks goes to my executive, Barb, Deb and Nora for their help in helping me with the dance.

We hope to have the same response at all other dances and activities we have.  
Dan Brant,  
President.

## Ontario's Urban Transportation Program:

## A choice for everyone.

Something very frightening can happen to cities when they grow up.

They can get out of hand and almost overpower the very people that gave them life.

The worst offenders are often transportation systems.

Cars and trucks can become menaces, highways and roads, turning bottlenecks. Subways can jam and buses simply refuse to handle an ever-increasing load.

Local communities have been doing their best to keep ahead of the problems. But new help is available... for now and for the future.

**People come first.**

People really do come first.

That's why the Government of Ontario is encouraging an urban transportation system that will serve Ontario people the way they should be served—efficiently, comfortably, inexpensively, and with the least possible disruption of natural surroundings.

The Ministry of Transportation and Communications has instituted GO A NEW WAY, an urban transportation program to develop modern transit systems in our towns and cities and to support them financially.

**New transit vehicles.**

Comfortable vehicles and convenient facilities make public transit attractive. So the government is paying 75% of the cost of municipal buses, streetcars, trolley buses and related facilities.

**Go Urban.**

A new, exciting intermediate-capacity transit system is being developed for large urban municipalities. The system will be fully automated, quiet and emission-free. It is much less costly than subways or expressways, may use existing

rights-of-way, and its elevated guideways cause little interference with regular pedestrian or vehicle traffic.

Cities will be subsidized to the extent of 75% in applying the GO URBAN system to their needs.

**Staggered hours.**

Another way to reduce peak-load congestion is to stagger working hours and alter daily and weekly traffic patterns. If passenger demands can be spread over longer periods, people can be moved more quickly. Feasibility studies will be subsidized up to 75%.

The government is implementing a staggered working hour program for its own employees and hopes others will benefit from its findings.

**Computer controlled traffic**

In Metro Toronto, a computer controlled traffic system has proved that a substantial increase in road capacity can be achieved with computers. The saving in road construction costs is many times the cost of the necessary computer equipment.

So 50% of the equipment necessary for implementing or expanding computer systems in urban areas and for installing traffic control devices is being underwritten by the government.

**Efficient road policies.**

Communities can increase road capacity with greater use of one-way streets, restricted delivery hours and modern parking policies. Municipal studies on these subjects are supported financially.

**Co-ordination is vital.**

Normal transit routes often carry our people across municipal boundaries. Co-operation and co-ordination in inter-community transit planning, therefore, are becoming more and more essential.

Your government has intensified the efforts and resources devoted to the co-ordination of transportation planning.

**GO Dial A Bus.**

Dial A Bus is a form of public transportation that has been pioneered in Ontario. It does not operate on fixed routes with predetermined stops. Instead, it operates from a

fixed point, such as a mainline transit station, into a limited area, usually residential. Passengers are not required to board and leave the Dial A Bus at bus stops; the bus comes right to their homes when requested to do so.

Dial A Bus is now operating in Pickering, Stratford, Kingston, Ottawa and Bramalea and will be operating soon in north Metro Toronto.

GO A NEW WAY puts people first, all the way. And people have to be involved to make it work.

Resources, research and finances are available to help urban municipalities in Ontario build transportation systems that will surpass anything else in existence today. And prove that cities really are for people.

Urban transportation will be one of the most significant challenges facing us all for years to come.

a modern transportation program for the needs of Ontario communities.

The benefits of this program are available to any municipality in Ontario wishing to participate.
